PRAFULLA ENTERPRISES LIMITED

About PEL

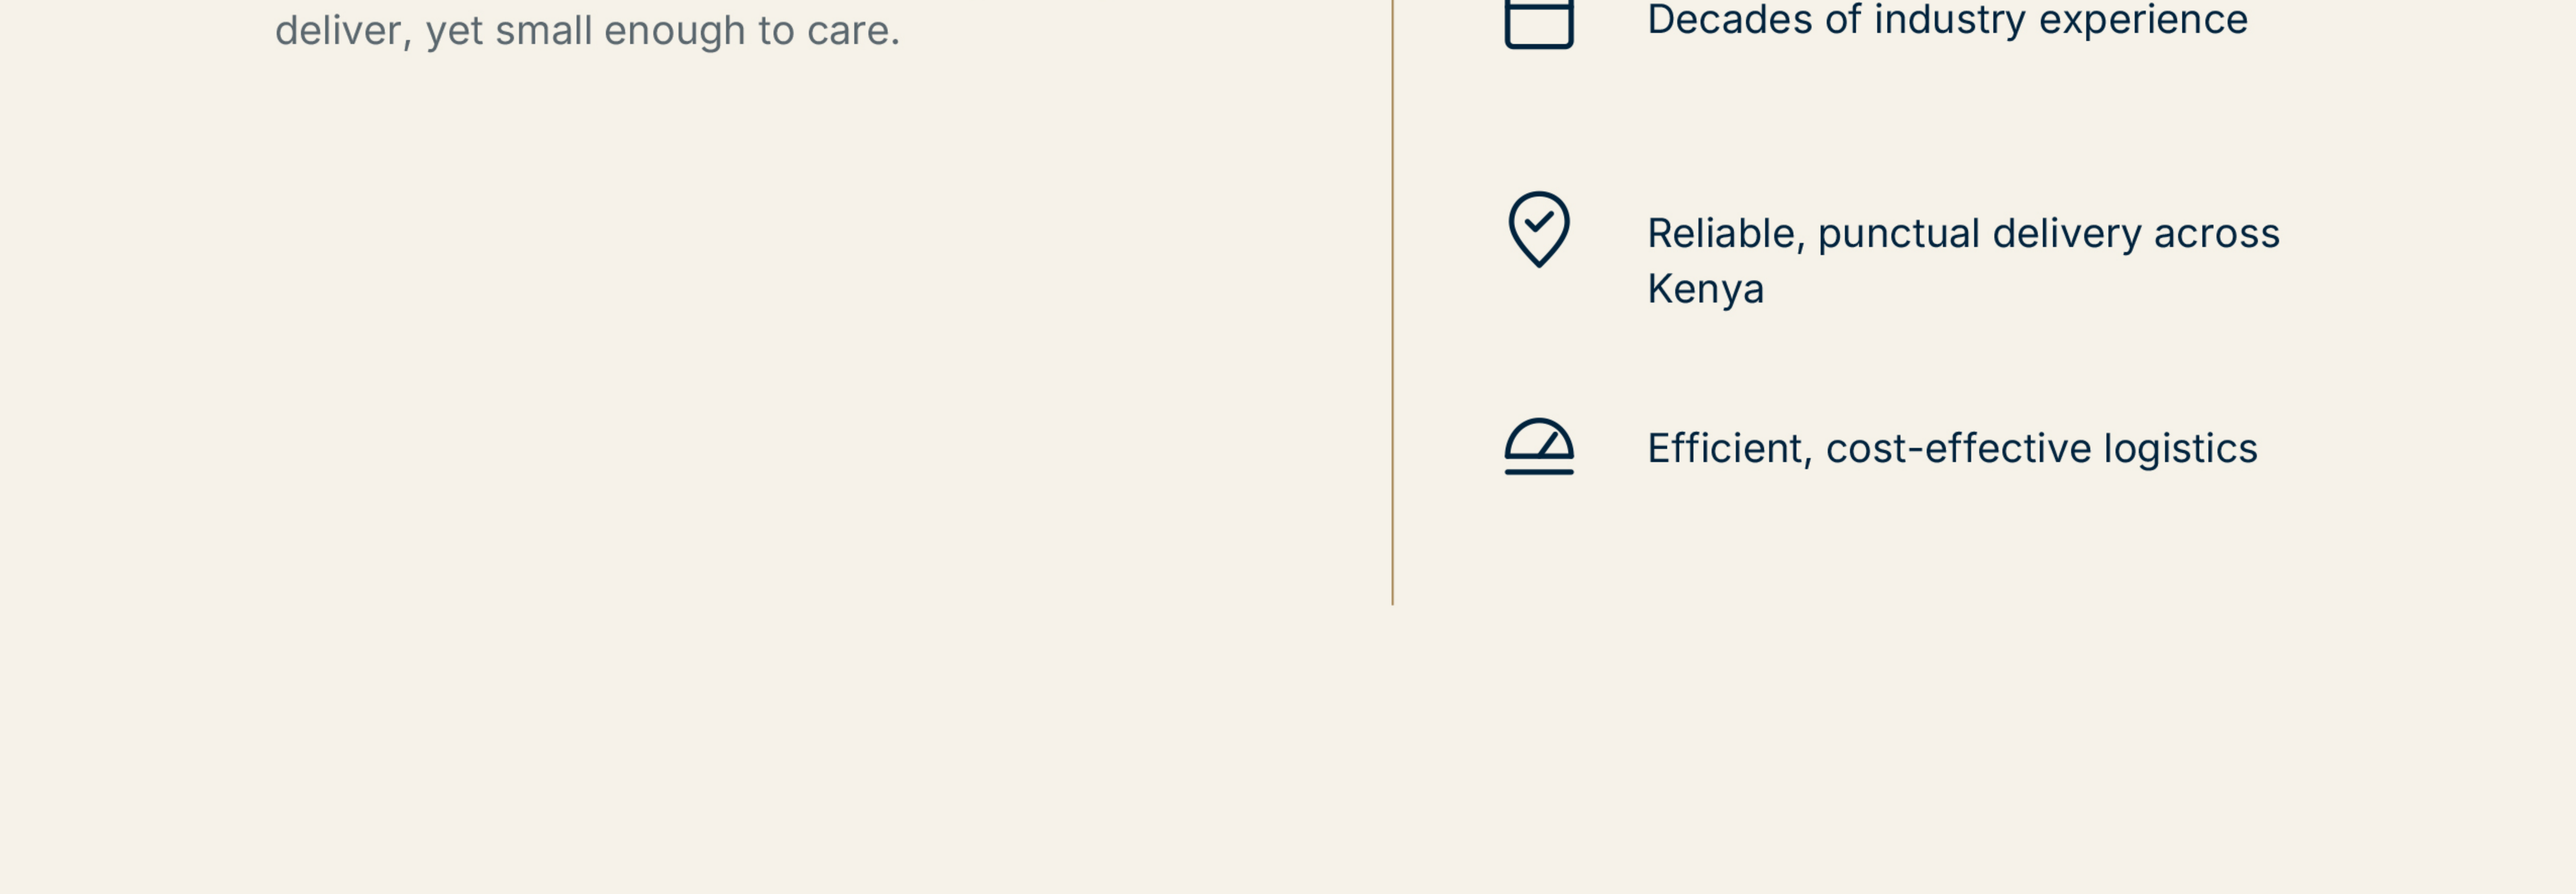

Prafulla Enterprises Limited (PEL) provides comprehensive logistics, clearing, and forwarding services across East Africa by offering innovative solutions to complex supply chain challenges. With decades of industry experience and a leadership team of former senior customs officials, we ensure the smooth and compliant movement of goods for our diverse clientele.

As a ‘Family Concern,’ we pride ourselves on being directly approachable and personally invested in every shipment, ensuring a solid track record of punctual delivery across Kenya. We understand that in global trade, ‘time is money,’ and we prioritize efficient, cost-effective logistics to meet your deadlines while treating your business with the care it deserves—because we are big enough to deliver, yet small enough to care.

Big enough to deliver, yet small enough to care.
